What is the Christian Ministry Certificate?

This is one way Indian Bible College partners with you and Native local churches in the training of its leaders. Through this program you would have an opportunity to study a 16-credit core of Bible and ministry classes: **IBC's Christian Ministry Certificate (CMC)**.

You will be better equipped to serve our Lord Jesus Christ in your own church and be taught by spiritually, academically, and experientially qualified servants of God.

3 Ways to obtain The Christian Ministry Certificate

1. ON CAMPUS--IBC offers these six classes every year in Flagstaff during daytime classes. One or two of these are offered in an evening format. New in 2014 will be a summer school format with one-week block classes in May-June!

2. ON RESERVATION--For years now IBC has been offering these courses local to where Native believers live. Your AZ or NM church can host an extension class if you have five students for credit or 10 students for audit.

3. ONLINE--Brand new in Fall 2013 is the opportunity to take the CMC via the internet! These classes bring the student live into the classroom via webcam.
