STUDENT FINANCIAL PAYMENT POLICIES

If arrangements have been made for monthly payments, they are due on registration day and the first day of each month thereafter.

Students whose payments are more than one month overdue must move out of campus housing. Students will not be allowed to run up bills and cannot attend class until bills are paid.

At the discretion of the school, a student with a poor payment history may be required to pay the full amount at the beginning of each semester.

A student cannot be issued a transcript or diploma and will not be allowed to enroll for another semester until all bills are paid and all library books are returned.

Student housing is reserved for full time students. Therefore, if the student's class load drops below 12 hours, he/she will be asked to move out of campus housing.

I agree to adhere to these policies. I understand that all costs for attending and living at IBC are my responsibility. If financial aid is not available or is not received by the Business Office in a timely manner, I will make immediate payment of any debt to IBC or make arrangements with the Business Office to pay the debt as soon as possible.
