

Constitution and Citizenship Day

Each year, Indian Bible College recognizes Constitution Day, commemorating the Sept. 17, 1787 signing of the U.S. Constitution.

On September 17, 1787, the U.S. Constitution was signed by thirty-nine courageous men who changed the course of history. Today, Constitution Day is a time for us to continue their legacy and develop traditions of citizenship in a new generation of Americans.

We encourage the IBC community to reflect on the importance of active citizenship, recognize the enduring strength the Constitution, and reaffirm our commitment to the rights and obligations of citizenship in this great Nation.

One of the Library of Congress' repositories for Constitutional documents and information may be accessed at: <http://memory.loc.gov/ammem/index.html>.

The National Archives also has a Web site with a scan of the U.S. Constitution available online at: <http://www.archives.gov/exhibits/charters/charters.html>.

In addition, the National Archives has a nationwide network of research facilities, including presidential libraries that welcome students as young as 14 years of age. Information about the facilities (by region and state) can be located online at: <http://www.archives.gov/locations/index.html>.
