"Senior" students are in their final year for their bachelor's degree.

Non-Native students are preparing for ministry with Native Americans.

Pray also for the 23 part-time students, most of whom are dialing in to classes online. Pray that they would be able to keep up with their studies. Many of these students are also working full time. Some have families as well. Pray they would have God's priorities, whether that means to study more or to spend more time with their families.

Pray the technology would work well for those attending classes online. Pray that several students who are currently part time, who desire to be full time, will be able to move on campus either next semester or next fall. Pray that God would call more students to be equipped for ministry at IBC.

Thank you so much for praying!!
