"Freshman" students are in their first semester at IBC, whether traditional freshmen or transfers.

"Continuing" students have returned from previous IBC studies.

"Senior" students are in their final year for their bachelor's degrees.

Pray also for the 10 part-time students, most of whom are attending classes online. Pray that they would be able to keep up with their studies. Many of these students are also working full time. Some have families as well. Pray they would have God's priorities, whether that means to study more or to spend more time with their families.

Invest in Training Native Christians... Even After Your Lifetime!

For those who wish to invest financially in the long-term work of IBC, know that you can continue your investment in training Native ministry leaders even beyond your lifetime through planned giving. Many planned giving opportunities provide donors with significant tax benefits. Consult your tax or financial advisor about which might be a great opportunity for you!

A Gift From Your Will or Trust

Through a will or trust you can leave assets to IBC either as a specific amount or as a percentage.

A Gift From Your IRA

If you are 70½ years old or older, you can take advantage of a simple way to give to IBC and receive tax benefits in return. You can give any amount up to \$100,000 per year from your IRA directly to IBC without having to pay income taxes on the money. This popular gift option is known as a qualified charitable distribution (QCD) and is commonly called the IRA charitable rollover.

Beneficiary Designations

Naming IBC as either a partial or full beneficiary of one of your assets, such as your retirement plan or life insurance policy, is a convenient way to share your God-given resources while realizing significant tax savings. By naming IBC as either a partial or full beneficiary of a retirement plan or life insurance policy, you maintain complete control over the asset while living, but at the time of death the proceeds may avoid certain taxes as they pass to IBC. Ask your tax or financial planning adviser if either of these might be right for you.

Gifts of Stock

If you're looking for a tax-smart way to share your blessings, consider a gift of stock. When you give appreciated stock that you've owned for more than one year, you can avoid capital gains tax and receive a charitable income tax deduction when you itemize.

If the Lord leads you to bless IBC through planned giving, please let us know! Additional information on planned giving opportunities is available from the IBC Business Office (though we strongly encourage seeking counsel from your tax or financial planning advisor). Please contact Emily Green at 928-774-3890 or egreen@indianbible.org.

2022 Christmas Wish List

Christmas Decorations (\$750) to beautify campus every December.

Safeway gift cards (any denomination) to help new students with food costs until they get a job.

New Fitness Equipment for New Fitness Center (\$5000)—Grants should cover most costs of the new equipment needed for this new facility, but we anticipate needing about \$5000 more.

Air Conditioning for Student Lounge (\$3000)—Our main gathering space gets too warm in the summer and early fall, and we are hoping to install AC in this building—particularly for large group gatherings.

There are two ways to help celebrate Christ's advent by giving to IBC student needs:

1. Online: Go to www.indianbible.org/invest, click on the DONATE button. You may use either a PayPal account OR a debit/credit card. Use the dropdown menu to select Christmas Wishlist and in the "Write a note" field indicate which item you wish to help with.
2. Mail a check to: Indian Bible College, PO Box 30880, Flagstaff, AZ 86003. Please make checks payable to Indian Bible College and identify the item you wish to give to (in the event of duplicated items, IBC may redirect funds to cover the cost of other wish list items).
