## 2022-2023 Financial Report

An important part of the IBC educational experience is learning about the theology of work. Some students arrive with no work experience. Thanks to your General Fund gifts, students have opportunity for...

1

### On-campus jobs

IBC is able to offer a number of on-campus jobs to help students learn the basics of holding down a job in a safe environment.

2

### Financial responsibility

Students have the opportunity to put some of their earnings towards paying their school bill (“skin in the game”).

3

### Job experience

They also gain experience and skills that will help them in off-campus employment, which is encouraged for upperclassmen.

4

### Did you know?

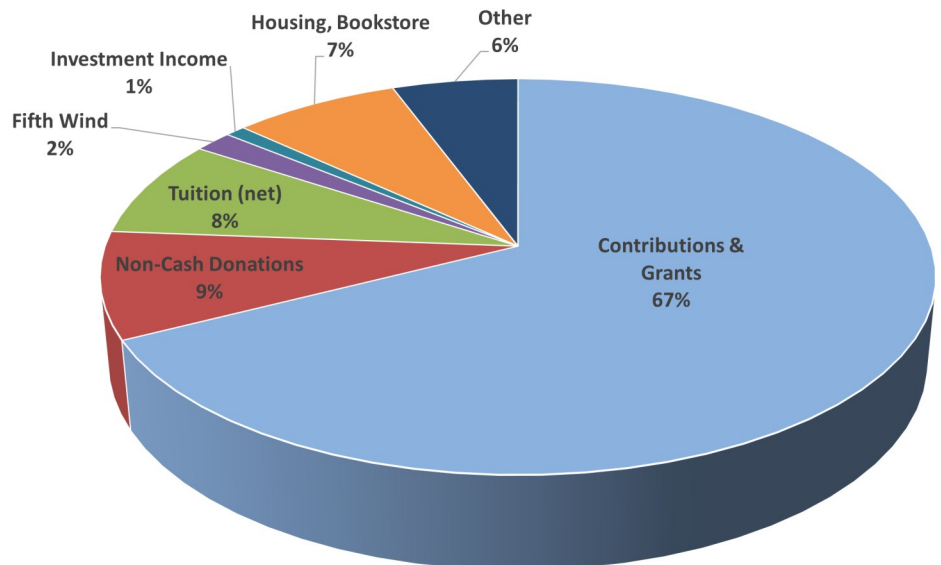

Twenty-four percent of gifts given to the General Fund help provide wages for student employees!

Total Revenue \$1,445,938

Total Expenses \$1,424,247

Net \$21,691

### 2022-2023 Income by Source

## There are many ways to get involved in what God is doing at Indian Bible College!

Each approach looks different, but each ultimately helps us achieve our goal of graduating every student debt-free, and achieve our vision of discipling and educating Indigenous Native Christians for lifetimes of biblical ministry and spiritual leadership to their people and the world.
